Dear Dr. _____

Thank you for your note regarding Dean Felner. You raise some serious concerns which I will take up with the dean. I appreciate your taking the time to pass on your comments to me, and I especially appreciate your candor.

I am glad that your teaching experience at UofL was a good one and hope that you have found a position and place that suits you. I do regret that you felt you had to leave before talking or corresponding with me.

Thank you again. I wish you the very best in all your future endeavors.

Sincerely,

Shirley C. Willihnganz
Executive Vice President
And University Provost
